Relevant information or important messages are posted on the Main Dashboard under "Take Note". Please check these regularly

Other relevant information from the Board, Chorus Committees, Region or International can be found in the Documents tab

There are 2 ways to indicate your attendance intentions.

- Right on the Main Dashboard
- Or via My Events

Simply choose "Will Attend" or "Won't Attend" from the drop down. If you choose "Won't Attend" you have an opportunity to write in a note about why. This helps Julia and your Section Leader know what is happening.
